

INDEPENDENT AUDITOR’S REPORT ON FINANCIAL STATEMENTS

Ilmos. Srs.

The General Assembly, Board of Directors, Advisory Board and the Supervisory Board.

Instituto de Políticas de Transporte e Desenvolvimento - ITDP Brasil

Rio de Janeiro - RJ

Dear Sirs,

Examine the financial statements of the **Instituto de Políticas de Transporte e Desenvolvimento - ITDP Brasil**, comprising the balance sheet on 31 December 2010 and its demonstration of the surplus or deficit, the mutation of social equity and cash flow for the year ending on that date as well as the summary of significant accounting policies and other explanatory notes.

Responsibility of the Board on the financial statements

The administration of the Institute is responsible for the preparation and proper submission of financial statements in accordance with accounting practices adapted in Brazil and by internal controls that she ruled as necessary to permit preparation of financial statements relevant distortion-free regardless whether caused by fraud or error.

Independent Auditor’s responsibility

Our responsibility is to express an opinion on these financial statements based on our audit, conducted in accordance with Brazilian and international standards of auditing. These standards require the fulfillment of ethical requirements by the Auditors and the audit be planned and performed to obtain reasonable assurance that the financial statements are free of distortion.

An audit involves performing procedures to obtain evidence about the amounts and disclosures made in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of distortion is relevant in the financial statements, whether due to fraud or error. This risk assessment, the auditor considers internal control relevant to the preparation and proper submission of statements of the Office to plan the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal controls of the Office. An audit also includes evaluating the appropriateness of the accounting practices used and the reasonableness of accounting estimates made by management, as well as assessment of the submission of statements taken together.

We believe that the audit evidence obtained is sufficient and appropriate for basing our opinion.

Opinion

In our opinion, the financial statements referred to above herald properly in all material respects, the financial position of the **Instituto de Políticas de Transporte e Desenvolvimento - ITDP Brasil** on 31 December 2010, the performance of its operations and its cash flow for the year ending on that date, in accordance with accounting practices adopted in Brazil.

Emphasis

On audit have identified the existence of assets within the Institute, in the amount of R\$ 31.241,36; by means of invoices on behalf of a third party, which could not be shown in the balance Sheet because of financial transactions have not occurred by the Institute.

Other Matters
